Treat Your Child Fairly.

The health of our children is a stubborn question. Some children seem to thrive under every adverse condition. Others with every care are sickly and weak and nothing seems to help them. They are frail, puny, constantly ail-

Take your child to the great special-ist in children's diseases, Dr. Greene of Nervura fame, 34 Temple Place, Boston, Mass., or write to him and give the little one the benefit of the best advice. No charge whatever is made for such consultation or advice, whether you call or write. The success of this world famous doctor in treating children's diseases is phenomenal, and your child first Brass band ever organized in should have this chance to be strong Bradford, and who left town about and well. Everybody admires healthy children, and no one has done so much

Moosilauke Union F. & G. League.

Nearly one hundred and forty were present at the lamquet of the Moos-lanke Union Fish and Game League at Hetel Low, last week Friday even ing. The band gave numerous selections from the stand opposite and in the hoter, which added not a little to the pleasure of the occasion. It was the intention of the officers to have post-prandial exercises, but owing to the limited number that could be seated at the tables at one time it was considered impracticable, much to the regret of the members who would have been glad to have heard from Messrs. Titcoma and Bailey of the Vermont Fish Commission, as well as others whom President E, Bertram Pike had on his list of speakers. The suppor on his list of speakers. The supper was particularly good, the game being nicely cooked and very toothsome. Landlord Johnson was praised for the excellence of the feast. The League now numbers about 200 and much enthusiasm is evinced. Next year arrangements will be perfected to care for a much larger crowd, when it is ex-pected that the Commissioners from both New Hampshire and Vermont will be present and an attractive pro-

ASHLAND, Sept. 21, 1897.

E. Bertram Pike,
My Dear Sir:—Your very cordial invitation to be present at your annual hunt and supper is at hand for which please accept my thanks. It will not be possible for me to accept as I have promised to be at Pittsfield that day to attend my regimental reunion. In regard to your taking your game to Bradford would say, I certainly know of no law to prevent such an arrangement.

at Hotel Low on the 28th inst. and I deep by regret my inability to be present on that occasion. I have an imperative engagement in the north part of the county that it is now too late for me to cancel. There is no man in the state of New Hampshire that has a keener appreciation of the value of wide awake I sh and Game Leagues than myself and I have long been of the opinion that there is no more earnest or useful organization in the state than the Moosilauke. Please express my earnest and sincere regrets to your association and say to them that I most earnestly wish them "God speed" and will at all times hold myself ready to render them any aid in my power.

to render them any aid in my power.
Faithfully yours,
WM. H. SHURTLEFF. The following is the individual score of the hunt as reported by the committee:

be at Pittsfield that day to attend my regimental reunion. In regard to your taking your game to Bradford would say, I certainly know of no law to prevent such an arrangement.

Hoping you may have a pleasant day, a successful hunt and a general good time. I remain,

Very truly yours,

E. Bertram Pike, Esq.

Dear Sir: I have just received your very cordial invitation to your gathering at Hotel Low on the 28th inst. and I deeply regret my inability to be present on that occasion. I have an imperative engagement in the north part of the county that it is now too late for me to cancel. the persistence with which she teaches that it is only through unselfishness and

self-sacrifice that one can attain the heights of spiritual knowledge, and that perfect union with the divine which is the end and aim of all things.

Broad-minded and tolerant she had no sympathy with creed or dogma and the word bigotry was not in her vocabulary; and following her lead the Theosophical Society was founded on a basis broad enough to include the followers of all religions. It has neither creed nor dogma and the ideas put forward in its literature

may be accepted or rejected as the members think best.

Teaching as it does that everything in Teaching as it does that everything in nature has descended from one common source, it is natural that the principal aim and object of the Society should be to form the nucleus of a Universal Brotherhood without any distinction whatever. Sympathy with this object is the only thing required of a person in order to become a member. He may keep whatever belief he may have if he wishes, and it is a fact that there are in the Society persons of all shades of belief, and representatives of all religions from the Christian to the Hindu.

to the Hindu

and modern religions, philosophies and sciences and the demonstration of the im-Herbert W. Blake went to Dartmouth
